Spirit...Creative Expression...Healthy
Interactions **And... ***

Thinking Outside The Box!

BENEFITS

***Schools:** Let your school and community know you are invested in the emotional and artistic development of your students.

***Enrichment:** Music & Movement serves as a creative outlet & offers a healthy balance between work and play.

***Therapy:** Music & Movement allows us to escape the real world for a while as we move in the shoes of another through poetry and rhyme, storytelling, and lyrical fantasy.

***Teamwork:** Like sports, Music & Movement fosters team building, as we journey from children to adults.
